## ALEXANDER KORI GIRARD | PRESS LINKS

**In The Make, “Alexander Kori Girard”**, August 2013

“...Kori’s vivid work does indeed look like it was born out of dreams; the geometric compositions are rich in color and cryptic, and evoke a sense of the mystical... as if they might represent lived realities that we have no words for...” [LINK](#)

**Designboom, “designboom interviews artist alexander kori girard”** July 11, 2014

“...I would say that drawing is where I started, and I would imagine that drawing is where I begin most projects anyway...to me drawing is kind of the ultimate practice...” [LINK](#)

**New American Paintings > Blog, “Alexander Kori Girard at Triple Base”** March 10, 2011  
**openstudiospress**

“...Some works are reminiscent of M.C. Escher’s graphic, mathematical drawings, and many others conjure the pictograms of pre-Columbian codices with their flattened depictions of figures and mirror-image symmetry. The idea of something that is simultaneously complex and rudimentary is perhaps what makes the pieces so memorable.” [LINK](#)
